

Hearth Products Eligible For Tax Credit

Manufacturer's Certificate

The American Recovery and Reinvestment Act of 2009 provides a tax credit for products that meet the IRS guidelines of a "Qualified Energy Property". Homeowners should consult a tax advisor for proper filing. Questions concerning the 30% credit may be answered at www.usstove.com. The Following are biomass burning appliances that meet or exceed the IRS guidelines for section 25C of the Internal Revenue Code. All are safety tested to UL Standards and meet emission guidelines set by the EPA.
